Materials

1. A deck of at least 40 word cards with pair cards

Virginia SOLs

1.2, 2.2, 3.2

Procedure

1. Prepare a deck of at least 40 word cards. You will need a pair of cards for each word. The matching pair cards to the word cards must be a synonym, definition, antonym, a cloze sentence in which it makes sense, a picture symbolizing its meaning, or another match appropriate for your class.
2. All cards are dealt and players pick one card from the player on their left in turn.
3. Pairs must be placed on the table.
4. The first player to pair all his/her cards wins.
