Rhyme Hunt
Back to Rhyme

Procedure

1. Tell children that, “We're going on a rhyme hunt,” and ask them to find something in the room that rhymes with a given word. For example, “I see a sock! What do you see in the classroom that rhymes with sock?” (clock) “I see a door! What do you see in the classroom that rhymes with door?” (floor).

2. Continue with other words and objects. You might also wish to do this activity outside.
