Silly Compound Collage

Literacy Skills / Word Recognition

Materials

1. Magazines
2. Sentence strips
3. Glue
4. Scissors

Virginia SOLs

K.5, 1.5

Procedure

1. Students cut pictures from old magazines. The pictures illustrate each part of a compound word.

2. Students paste both pictures on a sentence strip in the order that makes the compound word.

3. After students share their compound words, make a compound collage with the class’ work.

4. VARIATION: Challenge students to create their own compound words establishing as a requirement that they must be able to use it in a sentence.
