Virginia SOLs
K.11

Procedure
1. Read Little Cloud to the class.
2. Take children outside, lie down and watch the clouds.
3. Talk about what the clouds look like.
4. In the classroom, ask the children to draw and write about what they saw in the clouds. Use blue construction paper for their drawing and writing paper for their descriptions.
5. Students paint their cloud drawings and write while the clouds dry.
6. Once dry, students may need to add details to the clouds with crayon.
