Virginia SOLs

K.11

Procedure

1. Make a classroom book to read on rainy days. Start by reading various titles about rainy days. Some good books are Rainy, Rainy Saturday, The Napping House, and Mushroom in the Rain. Consider rhymes and songs as well, such as “Rain, Rain Go Away” and “It’s Raining, It’s Pouring.”

2. Help children research rain and discuss what they like to do on rainy days.

3. Students write about the rain and illustrate their work.

4. Compile student work in a classroom book to enjoy on rainy days.
